

WORKING FOR US

We recently asked current staff why they liked working at All We Can, and they said...

- You feel you are making a difference – it is a small team so each person's contribution is important.
- All We Can offers great opportunities for learning and professional development.
- Roles are generally very broad and varied, so you get to be involved in a wide range of tasks and activities.
- The opportunity to build close relationships with colleagues, overseas partners and supporters.
- People's views and contributions are valued and everyone is involved in decision-making.
- It's exciting to work for an organisation which is ambitious, punches above its weight and makes a real impact.

All We Can is fortunate to have a strong and engaged Board of Trustees and community of volunteers and supporters who work alongside the staff team and overseas partners.

Staff benefits include:

- Pension scheme: All We Can operates a defined contribution pension scheme, with a minimum contribution of 6% employer and 3% employee.
- Access to an interest-free season ticket loan and childcare vouchers.
- Generous holiday entitlement of 25 days per year, plus Bank Holidays and an extra three days at Christmas and New Year.
