

Rohingya Refugee Crisis Appeal prayer

God of our world,
we ask you for your protection
over the Rohingya fleeing persecution and violence.
We ask that you might stretch out your mighty arm
and bring peace where there is conflict
and justice where hatred has a hold.

God of our world,
live in us so that we might hunger for your love
and see the people of this world as our neighbours.
We ask that you will stir in us
compassion and a thirst for change
for all people facing danger and persecution
for a world in need of the hope you can bring.

God of our world,
rest your hand of comfort over the Rohingya people
be with the people who seek shelter, food and warmth.
Enable those who work for their safety
to reach those in most desperate need
and continue to challenge us
to pursue a life of justice and of peace.

Amen.
